To the Parish of St. Matthias' Church, Westmount

I just want to take a moment to thank each and every one of you for your continued prayers and thoughts during the health issues I have been dealing with over the past two and a half years. The surgery was one thing but coupled with the cancer diagnosis and subsequent chemo treatments it has been a very difficult summer. Now I am beginning to see the light at the end of the tunnel and for that I am very grateful. Radiation treatments are the next hurdle, but it would appear that these are not as difficult as the chemo, so I am not as concerned about those. But none of this would have been possible without the feeling of support and care that you have all sent to me through messages, food, flowers, cards and love and I am almost at a loss as to how to tell you how appreciative both Ted and I are. We are privileged to be a part of such a special community. Thank you from the bottom of our hearts.

Ted and Jane Bradley
